

Currently A Practicing SLP? Help Us Complete a Brief Survey!

The Communication Sciences and Disorders (CSD) graduate program at Longwood University in Farmville, Va is conducting a research study and would love to receive your input!

Who?

- ❖ Participants must be a practicing speech-language pathologist working within the field or as an educator for CSD graduate students.

What?

- ❖ The purpose of this study is to investigate the receptiveness and views of practicing speech-language pathologists (SLPs) and/or CSD graduate faculty towards the prospect of individuals with disabilities working as SLPs within the field and/or entering graduate level CSD programs.

How?

- ❖ To participate in this study all you have to do is click on the below survey link or use the below QR code, provide consent after reading the consent form at the start of the survey, and complete the brief 10-minute survey!
